## Supplying Your Own Artwork for Print

Here's a few things to remember when supplying your own artwork to us for print. We accept artwork files in the following formats:-

QuarkXpress  
Adobe Photoshop  
Adobe Indesign  
Adobe Illustrator  
High Resolution PDF Format

When supplying artwork in the above formats, please ensure that you supply all respective graphics (i.e. logo's, illustrations, etc) and photographs in high resolution - 300dpi or higher. It is also advisable to supply all fonts that have been used within your artwork. Once you have collated all your files, pop them onto a CD and then post it to us at ...
